

ACHIEVEMENTS OF  
OUR SCANDINAVIANSThe Proud Record Made by Them in Utah—  
Second Day of the Big  
Jubilee.

There was another very large gathering of Scandinavians at the assembly hall this morning, when the exercises of the second day of the jubilee were commenced.

The Harmonicon choir, Olaf Nilson, conductor, furnished music, and opened the services with the hymn, sung in Swedish.

The morning breaks the shadows of the night, and the light of day is seen in the sky.

The choir sang: "Gloria haab paany oplyds."

## WANTS NO CECIL RHODES.

Reason for Mr. Schreiner's Refusal to Enter the Ministry.

May be Dangerous Deadlock—Boers Whom Methuen Hunted Have Recaptured.

London, June 15.—By the peaceful occupation of Kimberley, announced by Lord Roberts, the British have gained a strategic position of some importance as the town is not only the terminus of another railroad to Johannesburg, but it is within easy reach of the Kromme-River-Victoria railroad.

The Boers who surrendered the place is a son of the famous General Cronje, now a prisoner at St. Helena. The son was prominent during the siege of Mafeking.

A dispatch from Kimberley reports the capture of the well-known pugilist "Jim" Holloway, who was an adjunct in the Boer army, and who blew up the railway at Fourteen Streams. Holloway was among a body of fellows captured in the western part of the Transvaal.

The Afrikaander bond congress opened at Paarl today, with seventy delegates, including seven assemblymen, present. It is feared at Cape Town that the parliamentary deadlock will lead to a temporary suspension of the constitution and there is much anxiety in regard to the possible outcome of the grave step.

Sir John Gordon Sprigg is experiencing much difficulty in forming a cabinet. Mr. Schreiner persisting in his refusal to support a ministry dominated by Cecil Rhodes owing to personal antipathies. A coalition seems impracticable. Messrs. Rose-Innes and Solomon are not inclined to accept subordinate positions in a government composed of nominees of the South African league. If Mr. Schreiner is dissatisfied with the personnel and pledges of the new ministry, the Boers to feel they were practically imperiled measures, and a dangerous deadlock will ensue which may lead to a grave constitutional crisis.

Against the Cattlemen.  
Chicago, June 15.—The United States circuit court of appeals in a decision delivered today affirmed the decision of the lower court in holding that the exclusion of cattle from the West, entering the stock yards is not excessive. The Interstate Commerce commission some months ago, acting on complaints from cattle shippers of the West, brought suit against the Western live stock association to have the charges reduced. The decision was against the commission and the case was appealed to the Supreme court.One of Oregon's Crew Drowned.  
Scranton, Miss., June 15.—Sullivan Converse of Chicago, and his father, were drowned today while bathing in the Bayou Chicot in full view of their 14-year-old son and brother. Sullivan Converse was one of the volunteer seamen on the battleship Oregon during the late war with Spain. His mother, Mrs. Ida M. Converse, is well known in literary circles as a newspaper correspondent.Car Runs Into a Work Train.  
Leavenworth, Kas., June 15.—A coach in this city on the Leavenworth Electric line crashed into a work train near Marshall Creek, ten miles east of here, this morning. The coach was splintered to kindling wood, and five railroad men in it injured. H. H. Stubbs, Kansas City, extra motorman, was fatally injured. Edward Holliday, Kansas City, conductor; Edward Flourney, Armourdale, motorman; Henry Burdard, Armourdale, extra conductor; and John Armstrong, Armourdale, extra man, were severely bruised and cut. They carried no passengers. The crew on the work train escaped unhurt.Arizona Politician Arrested.  
Tucson, Ariz., June 15.—Sam Finley, a well known politician and ex-city marshal of Tucson, was arrested last night at midnight by a special officer from Tombstone on charges of attempted assault to commit murder. The matter grows out of the recent jail break at Tombstone in which the Irish boys escaped after Deputy Sheriff Brady was shot. Finley was in Tombstone at the time. Finley claims it is the work of his personal enemies and the family of Wells Fargo officers. He absolutely denies all complicity in the jail break.With the Transatlantic Liners.

Columbus, O., June 15.—Two electric cars returning from Minerva Park came together in a terrific rear end collision about midnight and four people were severely injured. They are being treated at the city hospital.

S. E. Morris, hand badly torn. W. Powell, leg injured. John Heer, bruised and leg injured. Crowbars had to be used to pry the cars apart to release Mr. Dwyer.

According to Baden-Powell's report the Boers will readily discuss terms of surrender, and they all appreciate the work of pacification performed by his troops.

The Boers had not enough men to hold their center position, and the British carried it—Baden-Powell Captures Boer Prisoners.

London, June 15, 10:15 p. m.—The war office has received the following dispatch from Lord Roberts:

"Pretoria, June 15.—As I telegraphed yesterday from one of our outposts, fifteen miles east of Pretoria, the Boers evacuated their position during the night of June 12. They had paid so much attention to strengthening their flanks that their center was weakly held, and as soon as this became evident, on June 12, I directed Jan Hamilton to attack. He moved against Diamond Hill with the Buffs, Derbyshires and city imperial volunteers, supported on the left by the guard's brigade under Inigo Jones.

"It was grand, seeing the way our men advanced over the difficult ground, and under a heavy fire.

"The casualties, I am thankful to say, were less than 100, a very small number, considering the natural strength of the position which had to be carried.

"Our seizure of Diamond Hill caused the Boers to feel they were practically surrounded, and this resulted in their hasty retirement, this being following yesterday by some of our mounted corps.

COST ST. LOUIS  
OVER A MILLION

That is Exclusive of Expense to Merchants and Railway Co.

BUT STRIKE IS ABOUT OVER

Strikers Make a New Proposition, Receding from Many Demands—Cars Running Regularly.

St. Louis, Mo., June 15.—Cars on all the Transit company's lines are apparently running with as much regularity and as free from interference as before the strike.

Officers of the company state that during the past two weeks they have received applications for employment from several hundred strikers.

The only trouble of a serious nature experienced last night was the attempt to blow up a mail car on Broadway and North Market street. An explosion caused by the car striking a bomb on the track aroused the entire neighborhood. George Schmeisser, aged 21, was arrested by a special police officer who said he saw him place the explosive on the track.

This is the thirty-eighth day of the strike, which has cost the taxpayers of St. Louis more than a million dollars for protection alone, not taking into account the heavy loss sustained by the merchants and citizens generally as well as that of the Transit company and its striking employees.

J. J. Hohann, who came here from Chicago to work for the Transit company, was today probably fatally shot in the abdomen by Sylvester Zuleff, a fellow employee, also from Chicago. Zuleff says he was showing Hohann how to work a 22 caliber revolver when it was accidentally discharged. Zuleff is being held pending an investigation.

The striking employees of the Transit company assembled at the West End Coliseum today to act on a proposition looking to the termination of the strike. According to a member of the executive committee, which prepared the proposition, that committee and also the grievance committee of the local union unanimously approved it.

The following agreement was adopted unanimously and the executive committee was given final authority to carry on any negotiations that may result from its presentation to the Transit company for ratification.

1.—An agreement March 10, 1900, existing as herein modified, is re-established.

2.—No discrimination will be made against any employee because he is or was a member of any union.

3.—Any attempt on the part of any employee to induce any other employee to join any union or to join or not join any union will be cause for the immediate discharge of the person guilty of such attempt.

4.—Any attempt to influence any employee by any official of the company to join or not join any union shall be cause for discharge of such official.

5.—The question of re-instatement of former employees shall be submitted to arbitration.

The new demands of the striking car men will be presented to the officials of the Transit company at once.

The coroner's inquest of Edward Thomas and George Rine, and inquiring into the wounds to the back of Oscar Marvin and John White, street car strikers who were shot at by Special Deputy Sheriff Nell's posse on Wednesday afternoon, was resumed today.
